Preface

An infraction is a breach of a state law, regulation or local ordinance designated by the Legislature, for which an appearance in court is usually not required and payment of the amount due by mail or in person is authorized pursuant to C.G.S. § 51-164n. An infraction is neither a crime nor an offense as defined in the penal code. The maximum fine for conviction of an infraction is \$90. There is no right to a trial by jury in matters involving infractions.

Unless expressly identified as an infraction, an offense for which the only sentence authorized is a fine, is a violation. C.G.S. § 51-164n lists certain violations for which an individual shall either pay the fine and additional charges or plead not guilty. There is no right to a trial by jury in any matter involving violations payable pursuant to C.G.S. § 51-164n where the maximum penalty is a fine of \$500 or less.

A schedule of fines for infractions and for certain motor vehicle, boating, and miscellaneous violations has been established pursuant to C.G.S. § 51-164m. The Commissioner of Energy and Environmental Protection, as authorized by C.G.S. § 23-4, has established a schedule of fines for infractions which deal with breaches of regulations for the preservation and protection of parks and forests. These fines are incorporated in the "Total Amount Due" figures which are printed on the following pages. The schedule for motor vehicle infractions and violations is set up both alphabetically and numerically. If a fine for any infraction has not been established, pursuant to C.G.S. § 51-164m, the fine for that infraction shall be \$35 or, if the infraction is for a violation of any provision of title 14, \$50, until such time as the Chief Court Administrator establishes a different fine for such infraction. If a fine for any violation has not been established, pursuant to C.G.S. § 51-164m, the fine for that violation shall be \$100 or the maximum fine specified by statute for such violation, whichever is less.

Each "Total Amount Due" figure appearing in this schedule is the sum of the fine and, where applicable, the following additional amounts established by statute:

(1) C.G.S. § 51-56a(c) requires payment of an additional fee of \$1 for each \$8 or fraction thereof of the fine for all speeding violations under C.G.S. § 14-219, for all infractions and for certain other motor vehicle violations, except that as to infractions, such additional fee shall be only on the first \$88 of the fine for such infraction.

(2) C.G.S. § 54-143(a) requires a \$15 cost against any person who pleads nolo contendere (no contest) to, or is convicted of, a speeding violation under C.G.S. § 14-219 or a speeding infraction.

(3) C.G.S. § 54-143a requires a \$20 surcharge against any person who pleads nolo contendere to, or is convicted of, certain violations or any infraction, except that such cost shall be \$35 for a violation of any section of the general statutes, the violation of which is identified as an infraction and carries a fine of \$35 or more.

(4) C.G.S. § 13b-68 establishes the Special Transportation Fund (S.T.F.) and C.G.S. § 13b-70 requires that an additional amount equal to 50% of the amount of the fine against any person who commits a speeding violation under C.G.S. § 14-219 and various other

violations and infractions specified in C.G.S. § 13b-59(g). This additional amount is known as the S.T.F. surcharge.

(5) C.G.S. § 14-212a requires payment of an additional fee equivalent to 100% of the fine established or imposed for certain infractions and motor vehicle violations committed while work is ongoing within a designated highway or municipal road construction zone or within a designated utility work zone or while activities are ongoing in a traffic incident management zone or while a uniformed firefighter is directing traffic within a fire station work zone.

(7) C.G.S. § 14-212b requires payment of an additional fee equivalent to 100% of the fine established or imposed for violation of C.G.S. § 14-218a or C.G.S. § 14-219 when such violation is committed within a designated school zone.

(6) C.G.S. § 14-212c requires payment of an additional fee equivalent to 100% of the fine established or imposed for certain infractions committed when a driver of a vehicle fails to grant or yield the right-of-way to a person riding a bicycle, electric bicycle, or an electric foot scooter.

(8) C.G.S. § 14-295a requires the payment of an additional \$5 assessment for convictions of C.G.S. § 14-219 and for those who plead nolo contendere to a violation of C.G.S. § 14-219 and pay the fine by mail.

(9) C.G.S. § 22a-250(b) requires that a surcharge in an amount equal to 50% of the fine for littering against any person convicted of littering on public land.

(10) C.G.S. § 51-56a(d) requires that an additional fee of \$25 be paid by each person who pays in any sum as a fine for any violations for C.G.S. §§ 14-218a; 14-219; 14-222; 14-223; 14-227a; 14-227m; 14-227n; 14-230 to 14-240 inclusive; 14-241 to 14-249, inclusive; 14-279 for a first offense; 14-289b; 14-299; 14-300; 14-300d; 14-300j; 14-301 to 14-303, inclusive; or any regulation or ordinance adopted under said sections.

Note that, according to C.G.S. § 14-296aa(i), an operator of a motor vehicle who commits a moving violation, as defined by C.G.S. § 14-111g(a), while engaged in any distracted driving activity prohibited by C.G.S. § 14-296aa shall be fined in accordance with C.G.S. § 14-296aa(h), in addition to any penalty or fine imposed for the underlying moving violation.

The fines established pursuant to C.G.S. § 51-164m(b) for mail-in speeding violations are incorporated in the "Total Amount Due" figures which are specially printed in the charts in Appendix C and Appendix D.

If a person with one or more infractions or mail-in violations wishes to pay the "Total Amount Due," payment shall be considered a plea of nolo contendere. Payment of an infraction or mail-in violation will be considered as a finding of guilty for administrative purposes only. Pursuant to C.G.S. § 51-164n, payment by the defendant cannot be used in any civil or criminal action to establish the conduct of the person making the payment, although the defendant may be subject to administrative sanctions by either the Commissioner of Energy and Environmental Protection or the Commissioner of Motor Vehicles.

If a person alleged to have committed a motor vehicle infraction or violation which is payable through the Centralized Infractions Bureau elects to send payment of the fine and any additional costs (total amount due) to the Centralized Infractions Bureau, no points shall be assessed by the Commissioner of Motor Vehicles against that person's operator's license for such infraction or violation except that the Commissioner shall assess not less than one point for any violation of section 14-296aa of the General Statutes for the improper use of a hand-held mobile telephone or mobile electronic device by a motor vehicle operator or school bus driver.

Even though an infraction or mail-in violation will not cause automatic suspension of a driver's license or registration, it may be recorded on the motorist's motor vehicle history.

If a minor wishes to pay for an infraction or for a mail-in violation, the complaint must be signed by a parent or guardian.

If a person who is issued a Complaint Ticket pleads not guilty by mail, that person must sign the not guilty plea which appears on the back of the complaint and mail it to the Centralized Infractions Bureau in the envelope provided for such a purpose. Pleas of not guilty may also be entered online. Please refer to <https://jud.ct.gov/faq/traffic.html> for more information. A plea of not guilty will be transferred by the Centralized Infractions Bureau to a docket for prosecutor review. If a trial is required, the Centralized Infraction Bureau will transfer the case to the Geographical Area court location covering the area where the infraction or mail-in violation was committed or schedule a remote hearing. The court or Centralized Infraction Bureau will notify the person of the date for trial. During the trial, all court formalities, including rules of evidence and procedure, will apply.

A defendant who fails to submit a payment or file a not guilty plea at the Centralized Infractions Bureau faces additional criminal and administrative sanctions. Any or all of the possible sanctions may be imposed against a defendant who does not respond.

In all infractions matters, the defendant's failure to act constitutes the misdemeanor of Failure to Pay or Plead to an Infraction, in violation of C.G.S. § 51-164r(a). A defendant can be arrested and required to appear in court, where that person may face a maximum penalty of imprisonment of not more than 10 days in addition to the penalties imposed pursuant to the original infractions matter.

In all matters concerning the violations specified in C.G.S. § 51-164n, the defendant's failure to act forms the misdemeanor of Failure to Pay or Plead to a Violation, in violation of C.G.S. § 51-164r(b). A defendant who fails to pay or plead to such a violation can be arrested and required to appear in court, where that person may face a maximum penalty of imprisonment of not more than 10 days in addition to the penalties for the original violations matter.

If a case involves a motor vehicle infraction or violation, a defendant's failure to respond can also lead to a report by the court to the Department of Motor Vehicles under C.G.S. § 14-140, which may result in the suspension of the defendant's license. If the court orders action under C.G.S. § 14-140, the defendant will be required to pay a fee to the clerk to

open the case. If the defendant's license is in fact suspended by the Department of Motor Vehicles, that person will also be required to pay a fee directly to that department to get their license back, as required pursuant to C.G.S. § 14-50b(a).

If the case involves an infraction or violation under Chapter 268 of the General Statutes concerning boating, failure to respond may also result in a report by the court to the Department of Motor Vehicles under C.G.S. § 15-154. This may result in the suspension of the boat registration for up to 30 days.

All payments of fines or pleas of not guilty to infractions and mail-in violations listed in this schedule must be forwarded to:
